

Our mission is to inspire the community to make a positive impact on the environment by providing the means and know how to reuse and recycle.

March 1, 2022

Dear Recycling Enthusiast,

Sponsorships available now for Midland Recyclers 8<sup>th</sup> annual Star Wars 5K Fun Run/Walk & One Mile Jedi Training course that will be held Saturday, May 21, 2022 at Midland City Forest. We would greatly appreciate your support of the Midland Recyclers programs that benefit so many people in the Great Lakes Bay Region.

For 35 years, Midland Recyclers has provided a community recycling drop-off center open to residents and businesses in the Great Lakes Bay Region. Because we accept "hard to recycle" items (Styrofoam, plastic bags, electronics), we are uniquely positioned to help businesses meet their sustainability and zero landfill goals and residents live a greener lifestyle. Local agencies and schools also depend on us because we offer volunteer and work experience opportunities for all ages and abilities as well as hands-on educational programs and tours.

**Your sponsorship will help Midland Recyclers provide:**

- Free environmental education programs and tours to teachers and educators
- Volunteer and work experience for all ages and abilities
- Cost-effective recycling options for businesses
- Reusable items, such as corks, cd's, and jars, for educators, crafters, and artists
- Self-serve shredding of confidential documents for residents and small businesses

Sincerely,

*Esther Williams*

Executive Director
